# What are the benefits to me?

## The beauty of general dentistry.

If it's time to see a dentist, we're happy you're interested. A dental checkup and cleaning is the best first step toward healthier teeth, gums and mouth and a brighter, beautiful smile.

- ✓ Regular exams help us detect dental and jaw problems, so we can keep your smile healthy.
- ✓ Teeth cleaning is critical to oral hygiene, and whitening gives you a bright, beautiful smile.
- ✓ Fillings, crowns, root canals, implants, crowns, and dentures give you a great smile for a lifetime.

## You'll have a wonderful smile to show with confidence.

With regular dental exams and cleanings, we can keep your teeth and gums healthy, and prevent problems - or treat them quickly to prevent complications.

- ✓ You'll have an examination, with advice about any issues.
- ✓ We'll discuss the different treatment options to solve your dental problems whatever you need.
- ✓ We're honest, and will only recommend treatments we believe you need.
- ✓ With dental problems treated, you'll feel more confident knowing that your smile is perfect.
- ✓ Age doesn't matter, as it's never too late for healthier teeth.

## Learn more about the beauty of general dentistry

We invite you to a NO-OBLIGATION consultation, to learn more about our general dentistry services.

- ✓ You can meet our dental team.
- ✓ We'll schedule an examination, to check for dental and oral health problems.
- ✓ Appointments will be convenient to your schedule.
- ✓ Boost your self-esteem, self-confidence and your enjoyment in life.

# How does it work?

## **You'll love having a healthy, beautiful smile.**

Seeing a dentist regularly is an excellent way to preserve your teeth and your great smile. An experienced dentist can help prevent dental problems and provide the very best treatment options when problems do occur.

- ✓ With regular exams, we can check for tooth, jaw and mouth problems.
- ✓ Regular cleanings are critical to oral hygiene and preventing gum disease.
- ✓ If you have dental or jaw problems, we'll discuss all the treatment options and recommend the procedure we believe is best for you.
- ✓ To prevent complications, we'll schedule an appointment right away to get started.
- ✓ You'll have a fabulous smile - at a cost that's affordable.

## **You'll have a healthy smile you are proud to show.**

For most people, it's best to have dental exams and cleanings every six months. It's an excellent routine to keep your teeth looking bright and beautiful.

- ✓ Your dentist will discuss "next steps" necessary to treat any dental problems, like root canal, fillings, crowns, bridges, implants, inlays or dentures.
- ✓ We're honest, and will only recommend treatments we believe you need.
- ✓ If you need emergency dentistry, we may be able to help you right away.
- ✓ You'll have a fabulous smile at a cost that's affordable.

## **You'll love having healthy teeth and feel much more confident!**

We invite you to come in for a NO-OBLIGATION consultation, to learn more about our general dentistry services.

- ✓ Let's schedule time to talk and meet the dental team.
- ✓ We'll explain the process in greater detail.
- ✓ We'll discuss the costs, as we believe all dental work should be affordable.

# What does it cost?

## Your healthy teeth are an important investment!

If it's time to see a dentist, terrific. You're taking the best first step toward a healthy smile and beautiful teeth.

- ✓ You'll feel confident in social and business interactions.
- ✓ Seeing a dentist regularly prevents dental problems (and complications) from occurring, so costs are lower over time.
- ✓ You'll enjoy your natural teeth longer and feel great about your healthy smile.
- ✓ Age doesn't matter, as it's never too late for excellent dental care and a fabulous smile.

## You'll have a fabulous smile at a cost you can afford

There's no doubt that regular dental visits help preserve your great smile. We offer payment options to help you achieve that smile you've always wanted.

- ✓ You will have an examination and treatments as necessary.
- ✓ Fees are based on severity of your dental problem and the length of treatment.
- ✓ The number of dental visits and materials will affect the cost.

## You'll love your healthy smile!

We invite you to come in for a NO-OBLIGATION consultation, to meet the team and to chat about your teeth.

- ✓ You'll learn much more about our dental treatments, and the value they bring to you.
- ✓ This is an investment in yourself to enhance your appearance, self-confidence, the impression you leave with others, and your overall quality of life.
- ✓ When you take good care of your teeth, you'll never feel shy about smiling to the world.

# How can I get it?

## You can finally have a great smile.

If you've decided it's time for regular dental exams, wonderful. You'll never again feel shy about showing your smile.

- ✓ We've got a team of highly skilled dentists and technicians.
- ✓ You'll get expert care to ensure your dental problems are completely resolved.
- ✓ Your dental treatment will be affordable.

## We'll give you a healthy, wonderful smile.

You're invited to come in for a NO-OBLIGATION consultation, to chat about your dental concerns.

- ✓ We'll schedule your first appointment a thorough exam.
- ✓ Based on your situation, we will discuss the follow-up options best for you.
- ✓ We promise to schedule appointments at your convenience.
- ✓ Your dental treatments will involve the latest technology and the most durable materials to match your natural teeth, so you'll feel confident about your smile.

## Let's get started giving you a healthy smile.

With regular dental exams, you've made an investment in yourself in your health, and in your appearance. It's important that you take care of your teeth, and we can help you do that.

Your smile will open doors to a brighter future. Contact us today for a NO-OBLIGATION consultation. We'd love to meet you.

# About Us

S10 Dental is a private dental practice based in Sheffield. We offer general and cosmetic dentistry services, as well as facial aesthetics treatments, which use high quality materials and state-of-the-art equipment and technology. From the moment you step into our luxurious waiting room, the emphasis is very much on your comfort and wellbeing. Our friendly and professional team are dedicated to providing exceptional customer care and will be on hand to meet your every need.

Whether you're new to S10 or one of our valued loyal customers, we will always take the time to listen and respond to your questions and concerns so that you receive the treatment that's right for you. We offer flexible appointment times so that maintaining your dental health fits easily into your busy life. You can also relax with a cappuccino or cup of tea, and even use our free Wi-Fi access to browse the net or catch up on some work while you wait. We look forward to seeing you soon.
